Descripción

The dairy industry continues to develop at a rapid pace. For the people working in this field, keeping abreast of the techniques used within the industry and adopted from outside, has become a permanent feature of life. This revised edition of the "Dictionary of Dairy Terminology" gives the equivalents in English, French, German and Spanish for up-to-date terms currently used in the dairy industry worldwide. The dictionary includes explanations of important key terms prepared by world-recognized specialists. It should be of interest to those in international trade, legislation, and for professional translators and interpreters.

Contents include: Basic Three Ball, Advanced Three Ball, Two People Three Ball, Rings, Clubs, Club Passing, Other Objects, Compiling an Act, Glossary. Weight approx. . Profuse with colloquial examples, the book clarifies many of the obscure basics that dictionaries leave English speakers to work out for themselves.
