The "World War II Reference Library" includes three important sources of information about World War II. The "World War II: Almanac" provides students with the information they need to write reports and complete class assignments. "World War II: Biographies" profiles more than 30 men and women involved in the war and features 65 photographs and illustrations. "World War II: Primary Sources" allows students to study 16 speeches, diary entries, newspaper accounts and other original source documents related to the period. Also included are sidebars, glossary, timeline, sources for further study and indexes.

For table of contents, sample pages or other volume specific information see the entry for the "Almanac, Biographies" or "Primary Sources."
