Who killed Annabel Harper? When a popular teen beauty's body is discovered by the pool at an elite tennis club, the regulars are shocked especially twelve-year-old Evie and her best friend, Chelsea. While everyone else is haunted by the teen's death, Evie and Chelsea jump on the case, dogging the footsteps of the lead.

It is easy then to manufacture a narrative that paints your particular tribe as plucky underdogs struggling against injustice; if your football team have a player . This tendency begins to manifest in the 1960s with his two seminal comic books Los Agachados (the stooped ones) and later, Los Supermachos (the super machos).
