This design looks quite complicated in its assembly which utilizes a difficult Origami-style construction where it looks as if adhesives keep the chair stable & strong. I have concerns about this design where it would take a large amount of adhesives & material to construct, as well as trying to make it strong in its structure.

THE TIMELESS BEAUTY OF SOLID WOOD. For twenty years, we have been creating authentic, contemporary and timeless furniture from solid wood. We believe in creating quality wooden furniture that lasts for generations and withstands trends. Our timeless designs are versatile and associate well with different styles,.

There is a huge demand in contemporary societies to decorate their homes in a "green" style. Ecology and sustainable development have increasingly become significantly important topics in modern society. This book offers a more environmentally conscious approach to design thinking and process by presenting a wide.
