This is volume 2 of 2 volumes. These two volumes introduce basic Spanish vocabulary, grammar and conjugation to the very beginner who wants to learn Spanish, in order to prepare him or her to the practice of real life conversations in our - SmartSpanish Audio CDs Beginner - or our - SmartSpanish CD-ROM - Learn Spanish From Real Spanish Speaking Natives. The volume 1 contains the alphabet, the numbers and the conjugation of the six verbs the most used in Spanish, with multiple examples. You will learn useful tips to memorize them easily. This volume 2 contains all the basic Spanish vocabulary and basic grammar. The basic verbs and vocabulary contained in these two volumes represent the words you will find in any real conversations. We have recorded Spanish people from Spain and Latin-America conversing naturally for our - SmartSpanish Audio CDs Beginner - and our - SmartSpanish CD-ROM - Learn Spanish From Real Spanish Speaking Natives - and we have analyzed these dialogs. We observed that 63 to 65% of all words spoken in any of these conversations were always the same and basic. After listening and practicing with the - SmartSpanish - Introduction to Spanish, Vol.1 - and this - SmartSpanish - Introduction to Spanish, Vol.2, - you will know about 65% of all conversations you will ever have in Spanish or you will happen to listen to. If your intention is to learn a few sentences to get by when you are in Spain or South-

America, this tool is not for you. You should get our - SmartSpanish for Travelers - book and Audio files. Like for all our products, we use our color-coding method to help you with your pronunciation. The way you will speak with SmartSpanish is the natural way. You will sound real very early learning Spanish and you will feel very confident speaking Spanish.
