### Descripción

Esta es la historia de Ana, o mejor dicho, un fragmento de su vida observado a través de un zoom. Pero para entenderlo bien, hay que rebobinar un poco hasta el día que su vecino Antonio se rompió un pierna, lo que le obligó a rechazar el empleo de Papá Noel en los almacenes Toby's. O quizá un poco más, hasta el momento en que su familia comenzó a tener problemas económicos. Solo entonces podremos comprender, por qué esta chica de 15 años se ha atrevido a solicitar el puesto vacante del centro comercial. Un acontecimiento aparentemente insignificante que, sin embargo, desencadenará una serie de cambios en su vida y también en la de las personas que la rodean.
