#### El poder del amor

Olivia Moreland llevaba toda la vida rechazando los poderes extrasensoriales que tenía; de hecho, se dedicaba a rebatir las habilidades de los médiums de Londres. Pero cuando Stephen, lord St. Leger, le pidió ayuda para investigar a un supuesto parapsicólogo, Olivia se dio cuenta de que no podía hacer caso omiso de la peligrosa presencia que percibía en su antiquísima casa... Como tampoco podía pasar por alto la increíble conexión que había entre Stephen y ella, como si se conocieran de antes...

Stephen se había marchado de Blackhope Hall cuando su hermano mayor le había arrebatado el título y a la mujer que amaba. Ahora, tras la muerte de su hermano, había regresado y se había encontrado a su familia envuelta en un escándalo. ¿Quién estaba tras la muerte de su

hermano, un espíritu oscuro, o el parapsicólogo que afirmaba haberlo descubierto? Y, sobre todo, ¿quién era esa Olivia Moreland que había conseguido volver a despertar la pasión en él?

## **El tesoro perdido**

Según la leyenda, «La dote española» era un tesoro repleto de joyas y monedas de oro.

A finales del siglo XVI, Maggie Verrere contrajo nupcias con Sir Edric Neville en un intento de sus padres por unir a ambas familias. Pero ella se fugó a Estados Unidos con otro hombre, y la dote desapareció. Los Verrere y los Neville se habían peleado y odiado desde entonces.

Ahora, ciento cincuenta años después, otra mujer de la familia Verrere pretendía encontrar la dote. Descubirla era la única esperanza de Cassandra Verrere de proporcionarles un futuro a sus hermanos pequeños... y a sí misma. Por desgracia, necesitaba la ayuda de un Neville. Pero confiar en uno de ellos era algo inconcebible.

## **Una mujer Inalcanzable**

Kyria Moreland era lo bastante hermosa como para ganarse el sobrenombre de «La Diosa» y lo bastante rica para atraer a todos los caballeros de Londres, pero se negaba a casarse hasta que no hubiera encontrado el amor verdadero. Entonces recibió un extraño paquete en misteriosas circunstancias, y se vio enfrentada al peligro, al asesinato y a un atractivo americano cuyo destino parecía estar unido al suyo.

Rafe McIntyre tenía el encanto suficiente para seducir a cualquier mujer, pero su atractiva fachada ocultaba un amargo pasado. Su vasta experiencia le decía que Kyria estaba en peligro, y se negó a que resolviera sola el misterio del paquete. Pronto se quedó fascinado por los sucesos que se desataron con la llegada de aquella antigüedad de incalculable valor. ¿Quién le había enviado a Kyria ese tesoro envuelto en la leyenda? ¿Y quién estaba dispuesto a cometer un asesinato para conseguirlo?
